1. Whoever always welcomes a new member (whoever want to join) is please go to <http://www.djonyahim.net/forum/forums.php?mode=reply&fid=1&replyid=1> post the link and then go next!

2. It'd be wonderful to have more translation, diagrams and hypertexts. For diagrams and hypertexts, please note that you should be able to use Photoshop. No gimp, or any other kind of photo editing programs. It's mandatory for you to be able to use PSD file.

3. As requested, I have added the decoded alphabet chart for the alien language translation here. As I have said before in the news on our homepage, I won't translate the alien language because I think we are supposed to read the message in the perspective of humans. (The chart for the chart goes to all alien message from Station)

A black and white photograph showing a large group of people, likely refugees, gathered in an open, rocky area. In the foreground, several individuals are visible, some standing and some sitting. The background is filled with more people, creating a sense of a large gathering. Two speech bubbles are overlaid on the image, containing text. The overall tone is somber and documentary.
